A note from Pastor Karla...

I always said I would never sign my son up for baseball because of the way it seems to take over a family's life but, this season, when outdoor, socially distanced sports are difficult to find, I find myself eating my words. I can't say baseball is Soren's favorite sport, but he certainly enjoys being on the field. I know this because he dances. Yep, you heard me right, he may miss balls hit his direction, he sometimes has to backtrack his steps, and overthrows to first base, but even with that, I can tell it is fun for him because he does a little jig in-between batters. He also leads chants, very loudly I might add, for his teammates. He is having fun and that is all any parent could hope for.

Kids know how to be present in a way that we adults have forgotten primarily because they are far less self-conscious than most of us. As we age, though, we lose our capacity for fun. We are taught life is about competition--it's about winning and losing. Not being the "loser" becomes the sole purpose of the game. This constant striving has left many of us tired, and worse, it has left many of us shallow. We have given up parts of ourselves and have forgotten that life is better when we root for one another. We have forgotten what it feels like to dance in-between each play.

That is what I love about the post-Easter season, as we look forward, we are reminded of our freedom. And this year, our freedom feels even more real than past years, as we get to return to worship, return to restaurants, have reunions with friends and family, and travel again. We have been set free and it is not just an ideal, it is a reality! I hope that if we have gained anything this past year, we have gained the knowledge that freedom in Christ has always been our reality and unexpected circumstances did nothing to change that.

So, as we enter deeper into Spring, do a little dance with me, will you? Be undignified. Be free. Christ IS risen, he is risen, indeed, Alleluia!

Many blessings,
Pastor Karla

A Little Sprucing Up!

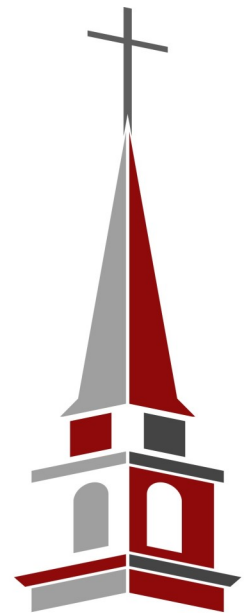

Thank you to Kurt Walter and friends for restoring the entrance to our Sanctuary for the reopening on April 11. It's a good thing, as some wood loving critters have had their way with our window sills.

Session Highlights - March 24, 2021

The Elders of Session took some time at the beginning of the March meeting to visit in small groups and consider Pastor Karla Shaw's question, "How is God working in your life?"

Session reviewed and approved the membership of several committees, while other committee chairs continue to recruit additional members. The committee titles and chairs are listed in the Spire, and church members are encouraged to contact any committee chair to inquire about serving.

The Church Membership Review Working Group, represented by Associate Pastor Alex Wirth, presented a list of 90 church members who have had no church activity for three years, and for which the church office has no contact information. Session approved Alex's motion to delete these members. The Group is now in the process of contacting another list of inactive members.

Pastor Karla presented the results of a recent survey asking church members about their preferences in worship attendance as pandemic restrictions are eased. Following in-depth discussion, the Session prayed for God's blessings on new plans and directions.

Stewardship Update!

As of March 31, we have received commitments for 90% of our Stewardship funding needs for 2021. Thank you for your faithful support. With your commitment, we can plan and deliver programs for children, youth, adults and seniors in our community that enrich lives and connect people to the love of Christ. We are also able to send support to our mission partners near and far. Thank you for being such an important part of fulfilling our mission.

Staffing Update—Welcome (Back) Melissa!

Welcome to a new way of doing life together and our new *Director of Online Ministry*! At the end of 2020, our Session made the bold move to commit to both continuing and growing our online ministry post-pandemic. This decision, rooted in much prayer and discernment, led to the formation of a working group aimed at exploring what it would take to make that happen. The biggest realization that came from the work of that group was the need to hire a professional to help guide us in the process. Once that was determined, and two large donors stepped forward as an initial investment, a search ensued and, as God would have it, that search led to us reuniting again with Melissa Mullins.

If you recall, Melissa served our church in the past as the *Communications Coordinator* and *Business Administrator* before taking leave to care for her ill father in the midwest. In many ways, Melissa's work in her previous positions to move us to online platforms, streamline our communications, and make all of our processes more efficient is the reason we were able to pivot so quickly in this pandemic. Her work was essential in our thriving during this time! And, now, she is returning to us in this new role, which falls somewhere between a director and a pastor, to help us reach even further into the diversity of our world with the gospel of Jesus Christ.

Melissa has spent much of her career with Willow Creek Community Church, a megachurch with multiple campuses in Chicago. At Willow Creek she has held the roles of Creative Arts Pastor, Creative Director, Communications Director, and Producer. She will now bring her experiences to PLCPC to help us, not only remain online, but also help all of our ministries with new hybrid models.

Melissa returns to San Diego and our church family, which she considers "home," with her husband, Mark and their one year old daughter, Evangeline. Her official start date is in early May.

The move of the Session to commit to this new ministry is an act of faith that does not come without major expenses. If you are able and feel called to financially support our efforts to reach a broader world for Christ, please reach out to our *Director of Operations*, Jolene Wade, for more information on how you might do so. Praise be to God for His constant provision!

Mission Beyond News—Madagascar Relief Fund

COVID has caused grave hardship for the nation of Madagascar and the FJKM Church, the largest Reformed Church in Madagascar. Many in Madagascar are already living in extreme poverty depending on today's wages for tonight's supper. The FJKM, a PCUSA Global Mission Partner, is working to continue their role of being the hands and feet of Christ in villages across the country, by assisting those who have been impacted most by the pandemic.

According to the Madagascar Mission Network, "poor harvest, wind storms blasting and destroying and burying any crops, and the inability of people to find alternative jobs or labor in the cities and fields due to COVID, has left more than one-third of southern Madagascar's population unsure of their next meal." The World Food Program says 1.3 million people are going hungry, nearly double what it was in the same period last year. The result is famine-like conditions. PLCPC's Mission Beyond committee has set out to support this mission of providing financial assistance in this part of Africa. If you feel compelled to support this immense need, financial contributions may be sent to the church office with a note designating donations to the "Madagascar COVID Relief Fund".

Words from Greg:

"A way through communication barriers: Alondra and Anselmo have microcephaly, and can't talk. That doesn't mean they don't communicate, but we have found a better way for them to make themselves understood. With the help of generous donors, we have purchased an electronic tablet for each child with a program called Proloquo2GO on them. With them, the children will press buttons and the tablet will speak for them! Praise the Lord !!"

"Down Deep" Featured on CBS 8's Zevely Zone

Elder Gresham Bayne teamed with a friend, John Freeman, to author the book "Down Deep" which chronicles the life of Elder Charlie MacVean. The book traces episodes in Charlie's life with Ellen from high school, through college, graduate school, the Navy and service in our submarines. Readers will find some things about Charlie that they never knew before. Pictured here is the CBS 8 evening news crew, headed by Jeff Zevely, interviewing Charlie in his office about "Down Deep." This episode of the Zevely Zone is scheduled to air on April 8 on CBS 8.

We are so thankful for the many, many, many hands who made our *Path to the Cross* Holy Week Experience so memorable.

The new Preschool playground is a huge hit! Look at those smiles!

New Worship Times Beginning April 11

Thank you for participating in the worship survey sent out a few weeks ago! The Worship Committee has analyzed the results and read your suggestions/concerns. We are pleased to announce that in-person worship in the Sanctuary returns on Sunday, April 11.

The in-person service times will be as follows:

- **9 am: Cafe Service** on the outdoor turf (please note earlier time--no RSVP needed)
- **10:30 am: Blended Worship in the Sanctuary** (RSVP encouraged--see below for more information)

*Kids' Worship (Preschool (3 yrs old) - 5th grade) will be offered for the full hour at BOTH services.

*Junior High small group (6-8th grade) will meet during the 9 am service only. Students will begin worship on the outdoor turf with their families.

* Online worship will continue at 9:30 am and 11 am each Sunday. It will continue to be pre-recorded. The online Red Brick Kids Worship also continues at 9:00 am.

This next phase of reopening our campus is a temporary phase that will last until we can move the Cafe service back into the Chapel (expected mid-summer). At that point, service times will shift. ***For the first couple weeks. If you plan on joining us on April 11, please RSVP on our website: pointlomachurch.org/register***

Regardless of whether you choose to return to campus in this next phase of reopening, we are grateful for our life together both in-person and online!

What to expect at the in-person Sanctuary service:

All participants will enter through the front Sanctuary doors where you will be greeted. The first few Sundays, participants will be escorted to pews by an usher. Once we get the hang of things, that will no longer be necessary.

All participants in any of our in-person activities are required to wear masks over their nose and mouth. Masks are to be kept on through the full length of any activity except during times of eating and/or drinking. This is a requirement even if you are fully vaccinated.

While our choir will not be able to return until later in the year, we do invite you to participate in congregational singing with masks on.

We will be temperature checking all of our staff and volunteers and ask all participants to check their temperature before venturing to the campus. Please do not return to campus with a fever or any other Covid symptoms. We also ask that you stay away from campus for 14 days if you have had known exposure to someone diagnosed with Covid-19 (this does not apply if you are two weeks past your full vaccination).

The Sanctuary will be set at 25% capacity with social distancing required and windows will be open for cross-ventilation.

At the end of the service, we ask that you remain seated until the row in front of you has exited. There will be three options for exiting the building and a time for socially distanced fellowship outdoors (if you choose). Coffee and food service is still suspended until a later date but you are welcome to bring your own. Services are expected to last around 45 minutes.

Find your S.H.A.P.E.
