A note from Pastor Karla...

It is a common story that in parts of Africa, Asia, and South America, when a hunter is wanting to catch a monkey, he or she creates a monkey trap.

The idea is quite simple--take a gourd or hollowed out coconut and create a hole big enough for a monkey's paw then tie it to a tree. Once it is securely tied, place a special treat inside the hole. When a monkey ventures by, he sticks his hand in to grab

the treat but then is unable to remove his hand while his fist remains clasped. Rather than drop the treat, the monkey becomes trapped. The monkey, by not recognizing the obvious problem, causes the loss of his freedom.

We can't blame a monkey for not understanding the rationality behind the monkey trap, but, sadly, monkey's aren't the only ones that fall for such nonsense. Often we humans cause the loss of our own freedom as well (although we don't often see it that way). Instead of unclasping our hands so God might release us from the power of sin, we clasp tighter to things that

May Is Endowment Month—Remember the Endowment

May is traditionally Endowment Month—a time to focus on the work of the Endowment at PLCPC. Like so many other things, we missed that celebration in 2020, but we are glad to return this year. After a brief description of the Endowment, we ask you to do three things.

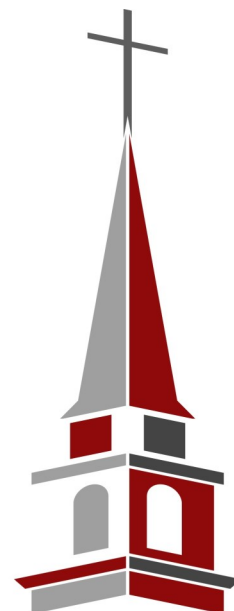

The Endowment is a special way to contribute to the long-term support of PLCPC's work. Unlike annual or project gifts, a gift to the Endowment is meant to support the church in perpetuity. Endowment gifts are invested and only the income from the investment is spent. (The current principal of the Endowment is over \$2 million, but only the annual income is spent, the principal is preserved in investments.) We are thankful for the members and friends of the church who have contributed to the Endowment—especially in this pandemic year.

June 6 & 13:	Discover Our Community

Our Vision: Loving Everyone to LIFE with Everything we Have.

Our Mission: Through authentic community, we seek to EXPERIENCE Jesus, JOURNEY into Deeper Faith, STRENGTHEN the Church, and TRANSFORM our World.

Values:

1. We are a good home.
2. We are intergenerational.
3. We inspire engagement.

Session Highlights - April 28, 2021

At the start of the April Session meeting on Zoom attendees divided into smaller groups to discuss Pastor Karla Shaw’s question, “If we read a newspaper article about our church five years in the future, what would be written about the development of our vision of ‘Loving Everyone to LIFE with Everything we Have?’”

The Session’s forward thinking was reinforced with plans to restructure Session committees during the June 5 Session retreat with the church staff. Session also reactivated the Renovation Task Force (RTF). RTF chair, Elder John Brand, will recruit new members and build plans for a campus renovation that will nurture PLCPC’s emerging missions and programs.

And in a response to our mission of serving as an authentic community, Session approved the deletion of more than 80 inactive members in an ongoing membership review process.

Remember the Endowment, continued from page 1

The Endowment income supports many things, the facilities, mission beyond, children and youth, music, and special projects. During 2020, funds were a financial backstop to special costs associated with the pandemic, and ultimately paid for the remodeling of the handicap parking lot (now turf area) and sail shades overhead.

The Endowment is currently important to the work of the church, and will likely become even more so. We, therefore, request your assistance.

1. Remember the Endowment in your prayers and in giving to the church. Many of us are renewing and revising our estate plans. Remember the Endowment in that plan. Always remember, “You don’t have to die to give to the Endowment.” Consider Endowment gifts for special occasions and celebrations.
2. Let us know what the Endowment can do to help you. Whether it is information about gifts or bequests to the Endowment, inquiries about current projects, or questions about the kinds of gifts that can be made to the Endowment, we are anxious to help.
3. Send us your ideas for the Endowment. We hope to restart programming later this year, and appreciate ideas about what would be most useful.

Questions, suggestions, or comments may be sent to Jolene Wade at the Church Office (jolene@pointlomachurch.org, 619-223-1633 ext. 204, or Steve Smith, Endowment Chair (srs@cwsu.edu). The other members serving on the Endowment Committee in 2021 are Dianne Grafton (Vice Chair), John Leimbach (Church Treasurer), Ray Lidstrom (Endowment Treasurer), John Pearson (Program Chair), Rocky Springstead (Session Representative), and Cara Thome (Secretary).

A note from Pastor Karla, continued from page 1

are shadows of true freedom--wealth, ideologies, identities, relationships and so on--and then we blame God (and others) when we don't feel the peace, joy, and hope we long for. We would rather assume the problem is with someone else, than recognize the role we play in our own entrapment.

The letter to the Galatians, which we are studying this month in worship, is a document about the freedom we have been gifted through the work of the cross. But talking about freedom and actually unclasping our hands and heart so we can be set free are two completely different things. The first requires little of us. We can just sit back and agree. The latter means we have to trust that God is better than whatever we are so desperately clinging to. Do you trust God enough to let go?

"It is for freedom that Christ has set us free." Galatians 5:1.
Christ has done the work, now it's our turn.

In this life together,

Thank you!

Your generosity during the Deacons' Lenten Food Drive was so very apparent. We were able to bless our local mission partners with jars upon jars of peanut butter, canned veggies, fruit, macaroni and cheese and so much more!

Thank you to Kathy Zorn and Eddie Dees for their fabulous leadership again this year.

On April 12, San Diego Unified welcomed children back into the classroom. Now that teachers, counselors and other legally mandated reporters have eyes on the kids we are expecting a huge spike in children entering foster care. San Diego saw a drastic decline in calls to its child abuse hotline while schools were closed. This decline was not because the abused stopped, but rather because no one was around to report it.

Now more than ever, we need caring capable adults to open their hearts to these children. You can help these kids by volunteering as a court appointed special advocate (CASA).

With a commitment of 10-15 hours a month, a CASA can change the life of a child by advocating for their critical services, including educational resources, living arrangements, and health assistance. Children also look to their CASA for emotional support, guidance, and companionship.

In San Diego, CASAs are matched with children in foster care through Voices for Children, a private nonprofit. No experience with foster care is necessary; Voices provides all of the training needed, plus a dedicated staff member to partner with you on your case.

Church member, AnneElise Goetz, is the current Chair of the Board of Directors for Voices. If you are interested in learning more about becoming a CASA please contact AnneElise directly at goetza@higgslaw.com.

Senior Ministry Luncheons on campus are a wonderful opportunity for all to gather together safely for fellowship, fun and a meal. See page 3 for details on the next luncheon scheduled for May 12.

The San Diego Blood Bank's Blood Mobile will be on campus (parked on Udall Street, outside the FLC) on Sunday, May 23 from 8 am - 1:30 pm. You can make a difference and save a life! Because of Covid-19 precautions, appointments are required. Please note that new screening and enhanced cleaning processes have been implemented so please plan on a little extra time. All donors receive a T-shirt as well as the Covid Antibody test.

Visit our website pointlomachurch.org/register to make an appointment.

We are so excited to welcome many of you back on campus.
 Our In-Person Sanctuary Worship and Kids Café Worship have provided
 much needed energy and smiles on Sunday mornings.

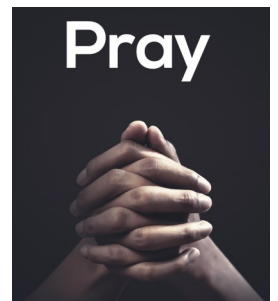

The New Covenant Choir continues to meet via Zoom. They have been enjoying a variety of guest speakers, including Marketa Hancova during a Thursday evening choir rehearsal. She led an interesting discussion on the history of sacred music.

Civil Rights Pilgrimage

This month, we ask you to remember in prayer Pastor Karla and the 16 participants from our church plus their guide, Dr. Todd Allen, from Messiah College as they experience a Civil Rights Pilgrimage to the deep south. They are traveling through Georgia, Mississippi, Alabama, and Tennessee and exploring the footsteps of those in the movement, as well as, hearing from a variety of speakers who had first-hand accounts of Selma and the 16th Street Church bombing. The group will be travelling May 15-22.
