January  
2022  
Vol. 31  
No.1

This year, at the church, we have been exploring the boundless nature of God, particularly the boundlessness of God's love and grace.

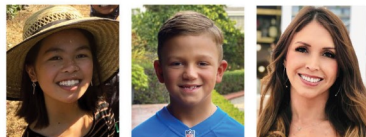

The other day I was giving my three year old foster son a bath and, to my dismay, he dove under the water. At first I thought he had slipped, so in great panic, I reached in quickly to rescue him from drowning, but before I knew it, he was sitting up in the tub giggling, laughing, and splashing. I discovered he went under the water on purpose. He had so much fun the first time, he decided to do it again, then again and again. Over and over, this little guy fully immersed himself in the bath water and came up to the surface with an explosion of joy. I couldn't help but smile and laugh along with him.

The exhibition of my foster son is how I imagine our lives would be if we fully immersed ourselves in our boundless God. Going under the water, just like going deeper with God, can be a daunting proposition. It can be scary to consider taking a leap of faith and trusting more, in the same way swimming must feel to a three year old who has not yet learned the skill. At the same time, the joy that follows the immersion is beyond compare.

## Session Meeting Highlights—December 15

The Session welcomed the elders-elect class of 2024 to the December meeting, and heard their statements of faith. Following some questions and answers, they unanimously voted to approve Jason Stevenor, Claudia Grauf-Grounds, Debbie Fountain, Rob Hannah, Katie Fulhurst and Cynthia Queen for three years of service on the Session. The Session will convene a special meeting to hear from elders-elect Jason Pritchett and Bob Lemke.

Other actions included the authorization of a contribution to the Presbyterian Disaster Assistance Fund for the midwest tornado victims, approval of the 2022 preliminary budget, and reactivation of the Renovation Task Force, with a new committee roster and funding from dedicated renovation funds.

The Session then discussed the proposal from the Session Restructuring Task Force on the reorganization of Session Committees into five “ministry teams.” The Session acted to conditionally approve the plan, appoint a team that will build an implementation process, and then vote on final approval of the new structure after the implementation plan is approved. A plan description will be presented to the congregation soon.

The Session thanked Elders John Brand, Susan Cramer and Lynn Ziegenfuss for their faithful work on the restructuring plan and dissolved the Task Force with a prayer.

Pastor Karla concluded the meeting with thanks to the retiring elder’s class of 2021: Max Butterfield, Mike Long, Rita Solberg, Frank Polese, and Barbett Wood, who has completed two consecutive terms.

## Join the Adventure With Us This year!

As the calendar turns to 2022, we’d like to remind you to turn in your commitment cards for this year ahead. By putting in writing your desire to support the Church financially you help us to better plan for the year.

If you have not yet returned your commitment card for the coming year, please do so today! Cards can be obtained from the Church Office or online at [pointlomachurch.org/boundless](https://pointlomachurch.org/boundless). Your prayerful consideration of your gift helps us to better plan for the coming year to ensure that we can continue to share the BOUNDLESS love of God with our community and beyond.

If you have already returned your commitment cards, we are so thankful for your generous support. As of December 23, we’ve received commitment cards covering 66% of our expected 2022 budget needs.

### *A Note from Pastor Karla, continued from page 1*

So, as the calendar turns to a new year and as we continue to experience restrictions to our being in full communion with one another, I am reminded more and more of how important it is to connect with God. If you are not experiencing joy in the journey right now, if your circumstances look dim or you are feeling a bit complacent, perhaps it's time to take a deeper dive and see what emerges. I don't know where or how God is calling you, but I look forward to smiling and laughing with you when it is revealed.

In Anticipation,

Pastor Karla

## Sunday Programs

Our Kids Worship continues to meet each Sunday morning in the Children's Center upstairs. All kids in grades preschool through 5th grade are invited to join us during Worship at either 9:00 am or 10:30 am.

Please drop your children off in the Narthex (9:00 am Sanctuary) or the Chapel (10:30 am Café). After Worship, please pick-up your children on the Preschool Playground.

## Kids Worship News

As we enter 2022, please note the following updates to our children's church service. Starting Sunday January 2, the children's church will begin to mirror a portion of the Sunday sanctuary service. For example, we will have a welcome, call to worship, life of the church, invocation, songs, and offering. This will give our children an opportunity to participate in worship and get a sense of what goes on in the main service. There will be a monthly schedule of what each child will do every week. We will email you directly your child's responsibilities for the following Sunday. We believe this will prepare our children to one day lead the main service without any hesitation. We look forward to sharing in the continued spiritual development of your child here at PLCPC.

Additionally, as we begin to regularly take offering each week, we ask that you provide your child with an offering for the children's ministry, the amount is totally up to you. This is just another way to teach our children to be good stewards in the Lord's church. If you have any questions or concerns, please don't hesitate to reach out to Lem through email or you can call him at 619-913-1837.

Our MOPS (Mothers of Preschoolers) group meets both in person and on Zoom to provide fellowship and parenting education to moms with children preschool age and younger.

January meetings are still being finalized. We will continue to offer both in-person and Zoom opportunities for all members.
