The post-Easter season, known as Eastertide, includes the 50 days following Resurrection Day all the way to Pentecost. Eastertide just happens to be my favorite time of the year, and why wouldn't it be? This is the season of longer days, warmer nights, new births, and lots of Spring parties. In the liturgical church calendar this season is symbolized through the color white. This color reminds us of the brightness of this season when we celebrate the triumph and glory of Jesus' work on the cross. This is a season of joy and light--of hope and life. But, I have to confess, even with great mustering, the joy of this season has been dimmed a bit by the shadow of war happening in Ukraine.

It's been hard watching the news lately.

Some of the scenes are unbearable to view. The headlines are heavy. There is death and destruction happening all around and the children, oh the children, to see the fear in their eyes. In the midst of all this calamity, though, one of things that provides deep hope is our faith, not just my faith, but *our* faith--and it's *our* faith which has been providing hope for generations. Our faith informs us that God is not finished with us yet and will continue to move the world toward His glory in ways which we cannot yet perceive but, ways which will continue on long after our time on this earth.

Many of our Christian brothers and sisters of the past also understood how powerful our collective faith is, especially in difficult times. Declaring this faith has long been a practice of the confessional church of which we are a part in the PC(USA).

Session Meeting Highlights—April 27

Due to excellent financial PLCPC management and the generosity of its members, both current and past, the Session had the pleasant task of assigning substantial undesignated funds to developing projects at the April meeting.

The Session heard from Mission Beyond chair Elder Bob Lemke, about plans to convert a Sunday School classroom to a temporary shelter for refugees/asylum seekers awaiting court hearings. The project was approved for one year of operation. Mission Beyond will coordinate with the Safe Harbors Network, who will assign refugees to our shelter and assist in planning and operations. Several elders recalled a time in the 1970's when PLCPC hosted a Vietnamese refugee family.

During the meeting, the Session paused to pray for a CHP officer who had just been shot while on duty.

Elder Jason Stevenor, inquirer for ordered ministry and under care of the PLCPC Session, provided an update on his schooling and plans for the future. PLCPC has sponsored many aspiring ministers of word and sacrament during their preparation for service.

Session stated meeting date changes: No June meeting, then meetings on July 20 and August 31.

Session Restructuring Report

Last year a working group of Elders was appointed to research, discern and propose a restructure of Session. Our current structure is a 50's model and overtime has created some deficits in how we function as a leadership body.

In December a proposed design was conditionally approved by Session, which included the appointment of a Transition Working Group that would create the necessary processes, steps and training before actually moving into the new design. The biggest change will be moving from 19 committees to 6 teams of Elders built more intentionally around our vision and mission.

The Transition Team members are Gresham Bayne, Chris Capen, Claudia Grauf-Grounds, Bob Lemke, Cynthia Queen and Lynn Ziegenfuss. We will include a monthly report in the next several month's Spires, to keep everyone up-to-date.

We ask for prayers of wisdom as we desire that God would guide us in our task which will effect not only the Elders, but our staff, committee members, and our whole church community now and in the future.

A Note from Pastor Karla, continued from page 1

In times of great crisis and uncertainty--the Reformation, World War II, the Civil Rights Movement--faithful people have come together to remind themselves and to proclaim to the world the centrality of Jesus Christ. These documents which have been created make up what we call our Book of Confessions. As Christians in the 21st century we meditate on these confessions as a reminder of who we are and, more importantly, whose we are.

This Eastertide we will be unpacking on Sunday mornings our newest adopted confession, the Confession of Belhar, which came out of the apartheid in South Africa. While the cultural context for this confession is different than our own, many of the themes of apartheid are present in the North American Church. This confession is a voice which calls us back to the purpose of the Church through the message of Jesus and intends to provide hope, even during an Eastertide when the news is difficult to watch.

I hope that you will join us either in-person or online for this significant series. Until then, may God continue to give us joy for the new life He is birthing in us.

*The Belhar Confession in its entirety can be found on the PCUSA website:

Happy (Second) Retirement!

Ann Simoneau, our beloved Church Administrative Assistant, is retiring from her position on June 17. Ann, who will be 85 this month (the same age as the church) began attending PLCPC when she was three years old after her family moved from Sutherland, Nebraska to San Diego for her father's medical practice. After retiring from her career as the Executive Assistant to the CEO of Sharp Healthcare in 2005, she was hired by Pastor John Powell to support the needs of the church. This part-time role has had Ann involved in many varied tasks including our Spire/bulletin production, office management, memorial guild liaison and, most importantly, resident church historian. Although Ann is officially leaving the church staff and will be sorely missed in the office, she is not retiring from our church family and will continue to lead our bell ensemble, Ringers ReJOYce! Ann looks forward in the coming months to checking off some of her bucket list which includes horseback riding, traveling, and spending more time with her delightful husband, Bob, and other friends. **Please join us in recognizing and thanking Ann with a celebration of her ministry at a reception on Sunday, June 12 in-between services.**

Sign-up at pointlomachurch.org/register just so we know you are coming.

Memorial Guild Volunteers Needed

The Memorial Guild is a wonderful ministry of service of love and caring to members and friends of those who have lost a loved one. The Guild is looking for volunteers to help with Memorial Receptions held here at PLCPC. Both "cookie bakers" and "reception workers" are needed. A volunteer would do one or both, whatever one's preference. Reception workers set up punch and cookies, coffee, and tea in a nice setting in our Family Life Center, so family and guests who have attended a memorial service can then relax, show support to the family, and visit with each other.

We have three different teams of volunteers. The teams rotate to spread out the tasks. Our Guild is not related to the Deacons as some have thought, and you do not need to be a Deacon to volunteer. Please contact Ann Simoneau (ann@pointlomachurch.org) if you would like to join us as a cookie baker or day-of helper. You will find this to be a rewarding ministry and very appreciated by the family and those attending.

May Flower Donors

Each week, the Deacons deliver flowers in order to brighten days and bring cheer. We are so grateful to those who have donated to make this flower ministry possible. The flowers this month are given:

May 1

- by Clara Larson in loving memory of my husband, Leland Curtis Larson.
- in loving memory of my dear Linda, by Fred Daughtery.

May 8

- by Cindy Wright, James Stradling and Janet Gompper in loving and joyful memory of their parents Julia and Cornell "Corky" Stradling.
- by Marlene Turrentine with many thanks to all of the flower donors, arrangers and deacon distributors helping in the flower ministry.

May 15

- by Vici and Jim Willis in memory of their parents, Anita and Lee Byron Willis and Regina and Herman Walter and in honor of all Mothers!

May 22

- by Jean and Mike Collins in loving memory of her mother, Ruby Lippels.

May 29

- by Janet Mayo and family in loving memory of Bob Mayo. He would have been 100 this month.
- by Tom Johnson with Thanksgiving for the life of his dear wife Darlene.

Thank you! You donated many, many pounds, boxes and jars of non-perishable food items and personal hygiene items to our annual Deacons' Lenten Food Drive. Your generosity will change lives!

Nominating Committee News

Congregational leadership is such a vital part of the PLCPC ministry. Elders and deacons partner with staff and our church community to provide meaningful programs, events, and outreach. With wisdom and discernment, these branches of leadership oversee all of the church ministries by shepherding our community members to foster growth and connection. During the next few months, we will be accepting nominations for the offices of elder and deacon. Each leadership role is a three-year commitment, starting in January of 2023. If you would like to nominate one of our members for a leadership position, please do so by emailing their name and information to: nominate@pointlomachurch.org.

We look forward to working with our members to prayerfully consider candidates for these vital leadership positions.

~Carolyn Verhoye
Chair, Nominating Committee

A Note of Thanks from PDA for Ukraine Donation

So deeply grateful for this generous act of solidarity, to help our church be present in and with Ukraine both now and in the hard seasons of recovery still to come

Thank you!

Presbyterian Disaster Assistance)

May Is (Informal) Endowment Month

The month of May has traditionally been “Endowment Month” at PLCPC. With the disruption of the last couple of years, it has been more of an informal celebration. The Endowment looks forward to a return to a more regular celebration.

In the meantime, we thank you for the continued support of the Endowment. Your gifts to the Endowment, inquiries from members and friends of the church about ways of contributing to the Endowment, and “estate planning” or “planned gifts” are all welcome.

During May we are especially grateful for all of your interest in the work of the Endowment and the future of the church. The Endowment is about that future. It is possible for the Endowment to provide support for the work of the church in perpetuity because gifts to the Endowment are invested. Only the income (interest and dividends) is available for spending. Thus, the principal (the original gift and appreciation of the investment) is retained to produce the income on an ongoing basis. (The bylaws currently provide that investments are in Presbyterian Foundation funds.) Put another way, the principal can never be spent, rather it continues to produce income that will be available throughout the future of the church.

During May, we especially invite members and friends of PLCPC to consider the Endowment—perhaps in celebration of a wonderful event, in memory of a loved one, as part of an estate plan, or just because it is Informal Endowment Month and you want to help provide for the future of the church. For more information on the Endowment, please contact Steve Smith at srs@cwsl.edu or Jolene Wade at jolene@pointlomachurch.org

Refugee Family Support

SAFE HARBORS NETWORK, an organization with many years' experience working with shelter providers and incoming refugees, will be our advisors. They will work closely with us in providing legal and emotional support to the family.

We need you to prayerfully consider if you can help with this project. The family will need help in navigating our campus and the local community. We are looking for a point-person to be a liaison with the family. If this is something you feel called to and want more information, please contact Bob Lemke at boblemke@cox.net.

We are growing a dedicated group of folks who are serving bi-monthly at Ladle Fellowship. All are invited to join us the 2nd Sunday of even numbered months. For more information, contact David Balfour.
