### A Note from Pastor Karla

Happy New Year to you!

As we throw out our 2017 calendars and look to 2018, I am reminded of the "long days and short years" we experience as humans. As a child, envisioning the year 2018 looked flying cars, meals pulled directly from the television screen, and telephones where you might interact face-to-

face...and we aren't that far off! I was recently reading online that there are six car companies working on hover vehicles right now! It really is fascinating to think about the speed of technology and all that has been accomplished in the last century.

As our world rapidly changes, though, there is one thing that never changes...God. God remains. That doesn't mean our perception of God doesn't shift, in fact in true discipleship there is always movement; there is always change. But, it is more of an uncovering of what has always been and always will be. We can rest in that knowledge as we enter a new year. We can also rely on the message that Jesus came to share with us, a message that is embodied in Christ--to love God and love our neighbors for the sake and glory of God and God's Kingdom.

This past fall we began a series entitled *The Way in Words*. The early followers of Jesus called themselves followers of *The Way*. That phrase says a lot about Jesus' intention for the message he lived and died for.

DISCOVER OUR COMMUNITY  
January 14 & 21, 2018

RSVP: [pointlomachurch.org/register](http://pointlomachurch.org/register)

Meet others who are exploring and growing in their faith at PLCPC and learn more about the beliefs of PLCPC. Light lunch and childcare provided.

**Congratulations Sue Skala!**

Next time you see Sue Skala give her a great big hug and congratulations! Sue has been a member at PLCPC for the last 26 years, and in 2018 will become the **Moderator of our Presbytery**. Leading Presbytery, our regional body of churches, is no small task. Please pray for Sue and her husband, Whitney, as she takes on this volunteer leadership position.

PLCPC will be hosting the first meeting Sue is moderating on Tuesday, February 20. You are welcome to join to see what the PC (USA) is doing in San Diego.

**Session Meeting Highlights  
December 13, 2017**

Session welcomed new Deacons Nicole Hage, Rylie Hage, Jeannie Spies, and Bev Wickstrom. They each delivered a statement of faith, after which their election was confirmed by unanimous vote. They will take office after being ordained/ installed during worship services on January 7, 2017.

The Ministry Information Form (MIF) required to recruit a new Associate Pastor has been approved by the Presbytery and the PCUSA and has been posted on the national web site.

Joel Miller, Chair of the Stewardship Committee, announced that pledges for 2018 were at \$860,000 from 266 giving units, against a goal of \$1,000,000.

Steve Smith, Chair of the Finance Committee, presented a preliminary operating budget for 2018, showing income and expenses balanced at \$1,250,000. The budget is to be refined over the next month and presented for final session approval in January.

Bruce Kunkel and Melissa Mullins presented plans for the reconfiguration of the church offices, along with a proposed "not to exceed" budget of \$90,000. The project and budget were approved by unanimous vote of session.

Recruitment activities continue for the positions of Associate Pastor for Pastoral Care, Director of Community Life, Director of Worship, and Communications Coordinator.

Rev. Shaw paid tribute to Elders completing their terms of service this month; they are Larry Blenis, Allen Hobbs, Bruce Kunkel, Mark Olcott, Bob Simoneau, Ryan Spradling, and Kathy Wright.

Paul Diller  
Clerk

**A Note from Pastor Karla Continued**

*The Way* invokes an image of movement. *The Way* implies direction. *The Way* supersedes any religious institution or organization. *The Way* effects every area of our lives. When Jesus spoke about *The Way*, he did so with parables--parables that explained the characteristics of the Kingdom of God. But, Jesus didn't just talk, he also lived out the Kingdom of God. This winter we will be exploring that more through *The Way in Action*. I hope you will join us to hear more about the central message that Jesus taught us. This series directly connects with where God is moving us as a community--to be a more "inside-out" church--in theology circles, we call this "missional".

So let us continue together to **Experience Jesus, Journey into Deeper Faith, Strengthen the Church, and Transform our World**, not because it is our duty as Christians, but because it is a privilege to be a part of the movement of God--*The Way*!

Welcome to a new year!

I am so grateful to be on this journey together,  
Pastor Karla

**Thank you for your ministry, Paul Diller!**

After 12 years of consistent service, Paul Diller is stepping down from his volunteer position as Clerk of Session and moving to Assistant Clerk effective at the end of January. Paul has been a gift to our church through his steadfast spirit and diligence, maintaining the order of our records, always in a timely manner. As a result of his commitment for over a decade, we have been able to meet Presbytery requirements year after year with very little need for improvement. Thank you, Paul, for your support of our church through the ups and downs of church family life. Your integrity, maturity, and consistency have provided us with a strong center. Many blessings on you in this new season with a lot less meetings!

## STAFFING UPDATES

**ALICIA MCMILLAN**

**Interim Director of Music**

Alicia McMillan has served the PLCPC music ministry for the last 17 years. In addition to stepping in as our Interim Director of Music, she will continue to serve as the Organist and Director of Children's and Youth Choirs. Alicia earned music degrees from University of Tampa in Florida, Northwestern University in Chicago and teaching credential in music from National University. Alicia currently serves as sub-dean in the San Diego chapter of the American Guild of Organists. She has been an active music educator and private instructor for the last 17 years.

**JULIA BELL**

**Communications Coordinator**

Originally from Germany, Julia found her new home in San Diego roughly two years ago. She has an international background, organizational skills, as well as an MA in Communications. Julia is an active member of PLCPC and is now helping to spread the mission as the new Communications Coordinator. She likes being outdoors, writing and traveling, and spending time with her husband, Rickey and their two dogs.

**Evan Gratz**

**Director of Community Life**

We are delighted to have Evan starting with us February 1 as our new Community Life Director. Evan has a BA in Media Communications from Bethel College in St. Paul, MN and is currently working toward his MA in Global Leadership from Fuller Theological Seminary. He has previously held Director-level positions for student and family life at Emmanuel Presbyterian Church in Thousand Oaks, Community Presbyterian Church in Danville, CA and Mariners Church in Irvine, CA. Additionally, Evan has led Chapel for the professional football team, the Green Bay Packers. Evan is currently residing in Tuscon, AZ and is delighted to be coming back to California and specifically, San Diego for this position!

### **APNC Report to the Congregation**

**January 2, 2018**

The Committee on Ministry of San Diego Presbytery approved Point Loma Church's Ministry Information Form (position description) for a part-time Associate Pastor of Pastoral Care but required us to conduct a nationwide search rather than a local search. This will take more time but it will be more inclusive. A member of the Committee on Ministry, Peggy Johnston, is assisting us as Presbytery Liaison and we have also been aided by Michael Mudgett, Executive Presbyter, and Linda Therien, Stated Clerk.

Your Associate Pastor Nominating Committee (APNC) is now reviewing applicants and conducting interviews for the position. We are searching for a passionate pastor to help Pastor Karla with Pastoral Care and Memorial Services and to help carry out PLCPC's 2015 Mission Study, "Change and Regeneration." Members of the APNC are John Pearson, Chair, Ann Brooks, Buck Buchanan, and Cynthia Queen.

## Office Renovation Project

After 25 years, the staff offices are getting a facelift! With several new staff members coming in the next couple of months, we are reconfiguring the office space to create work stations for everyone. The structural changes are dividing Don's office into two and enclosing the current reception area to create an office space. The reception area will move to where Ann's desk currently is. Additionally, a fresh coat of paint and carpet will create a bright, inspiring environment for the staff. A huge thank you to our volunteer team working on this project: Sue Skala, Jerry Heidt, Dave Simmons, Douglas Buser, Michael Huff, Suzy Spafford, and Steve LaDow.

### **This project is made possible due to an Endowment gift from Bethany Engel.**

In 1985, Ms. Engel established a trust, which named the church as the beneficiary of about one-third of her estate. When she passed away in 2008 the church received \$479,000. Ms. Engel's gift is now making a real difference in the church as we are beginning to live out the "Change and Regeneration" call in the Mission Study of 2015 by hiring staff!

This is a great reminder of how such generous gifts can provide for special needs in our church. Endowment Funds provide long-term stability and financing for mission, building maintenance and repair and special church projects. Endowment Fund gifts are invested with and managed by the New Covenant Funds of the Presbyterian Church. Income from the Fund is then spent on worthwhile projects to maintain and improve our church. For more information about the Endowment fund: [pointlomachurch.org/endowment/](http://pointlomachurch.org/endowment/)

## Interfaith Shelter February 24—March 10, 2018

In San Diego County, over 9,000 of our neighbors are homeless (9,116 according the Regional Task Force for the Homeless 2017 count, though all experts agree that the actual number is far higher). Less than 2,000 emergency shelter beds exist, and many factors limit individuals' eligibility for a bed. Families with school-age children represent one-quarter of our homeless population.

With these staggering statistics, as a church who is seeking to move beyond our walls to serve our community, we began to look for ways to SERVE our neighbors. PLCPC is renewing a partnership with the Interfaith Shelter in 2018 and will be a host site for our homeless brothers and sisters, February 24-March 10. PLCPC will house up to 12 guests (men, women and children) who are actively working with case managers at Presbyterian Urban Ministries to seek employment, long-term housing, and other services. ALL shelter guests are required to obtain the Hepatitis A vaccination. The risk of spreading Hepatitis A through PLCPC's participation in the shelter program is exceedingly low—far lower than using a public restroom or dining at a local restaurant. Numerous steps have been and will be taken to reduce any further chance of spreading Hepatitis A. Individuals with active substance abuse or mental health problems are directed to other shelters that have resources appropriate for their needs.

### Tony: The Movie Screening

**Saturday, February 3, 9:00 a.m. Family Life Center**

As we prepare for the Interfaith Shelter coming to PLCPC on February 24, we want to take time to learn more about our guests' experience. On Saturday, February 3, we will do just that through a movie screening followed by discussion. A light breakfast will be served.

In August 2017 when Tony ends up homeless after losing his job as a waiter in San Diego, he is faced with the daily struggles of life on the streets. His search for housing begins, but then turns into a quest for solutions to homelessness, not just for himself, but for thousands people living on the streets across the county. The investigation takes him to the top levels of government locally, but also to regions across the country where progress is being made. What do communities do to significantly reduce homelessness? What is happening in San Diego? And does Tony find housing?
