BOUNDLESS

Embodying God's Infinite Grace

Fall 2021-Winter 2022
Ministry Handbook

Point Loma Community Presbyterian Church

WELCOME!

These past couple years we have learned to do most things differently, including what it means to be the Church. "The Church is not a building, it's a people" is no longer an ideal, but now it is part of our daily practice and rhythm and that, my friends, is a wonderful thing. It is almost as if we were living tightly in a box--warm and secure--and someone cut a slit in the side and ruined our world, but in that destruction, the light also flooded in. We could not have fathomed the boundlessness of our God until that crack and now I wonder how much more God wants to show us?

Every year, beginning in the fall, we choose a new theme to guide our year. It helps us focus, it helps us to pray, and it helps us to trust. This year our theme is *Boundless: Embodying God's Infinite Grace*. It is my hope that we continue to be bold and ask God for more—more grace, more hope, more opportunities to share God's love, and more of God's Presence in our world. And may God respond to our asking by continuing to let in more light.

There are plenty of opportunities to get involved at PLCPC both in-person and online to grow deeper in faith. I hope you will try something new. Let's find out together how boundless our God really is!

In this together,
Pastor Karla

VISION

Loving Everyone to LIFE with Everything We Have

MISSION

Through Authentic Community, we seek to...

Experience Jesus

When Jesus called his original disciples, he used the words, "Come and see" (John 1:39). Jesus modeled a life of experience, he walked, ate, slept, conversed, and transformed our world with his disciples by his side. It is our hope that your relationship with Christ is more than head knowledge, but an embodiment of Christ through encounter.

Journey into Deeper Faith

Through Christ and his death and resurrection, we have been declared new (2 Corinthians 5:17). Our life in Christ is figuring out how to fit into these new, vibrant clothes. God desires us to be transformed from the inside-out. It is our hope that you will engage in a small group to grow your interior life.

Strengthen Christ's Church

When you said "yes" to Jesus you signed up for more than a personal relationship with God; you signed up for a movement that has been happening for over two thousand years. We have been created to be in community (1 Corinthians 12:12-26), and it's God's desire to grow his church through our diversity. It is our hope you will give of your time, talent, and treasure so that we might grow closer to God's desire.

Transform Our World

Everything we have and everything we are is a gift from God. We aren't blessed for ourselves, but to be a blessing to others (Genesis 12:2). The church isn't a building, it is a transformed people, and we have been invited by God to participate in the coming of his kingdom on this earth. It is our hope you would serve our world for the sake of God's kingdom.

VALUES

1. We are a good home.
2. We are intergenerational.
3. We inspire engagement.

DISCOVER OUR COMMUNITY

At PLCPC, we are a multi-generational community that embraces growing alongside each other, as we journey to deepen our faith and transform our world. The heart of this church is to care for one another. Wherever you are in your life journey, we want to join you, serve you and be transformed with you. Experience a sense of belonging and fulfillment as you expand your God-given purpose through this authentic community.

If you are new to our church, we invite you to attend our *Discover our Community* class. The next two-part class will be held on November 7 and 14, 2021 from noon—1:30 pm via Zoom. RSVP on our website: pointlomachurch.org/register, or by calling the church office 619-223-1633.

NEXT UP....

Although our campus is back open for ministry, we are also providing online only and hybrid options for anyone who would rather gather from a distance. If you do choose to return to campus, we ask that you be mindful of your own health, as well as previous contact with ill people before entering our communal spaces. We are proud to be an intergenerational community and we honor that by protecting those who are unable to receive the vaccine yet due to age or health conditions.

While fully vaccinated individuals have a choice in wearing a mask on our campus, **we strongly recommend everyone wear one while indoors. Masks are required for those who are not fully vaccinated and while working with our children and in our Preschool** (regardless of vaccination status). Food and coffee service have also been reinstated, but safety protocols must be followed which include individually packaged goods or service by a person(s) wearing a mask and gloves.

Please note that if city, state or CDC guidelines change, we will adapt to those requirements.

If you have more specific questions regarding our safety protocols, please contact the church office at 619-223-1633.

ONLINE MINISTRY

The Online Ministry is collaborating with the Adult Ministry to bring many groups online or to be available in a hybrid option.

If you see this symbol next to a group, it means that it is available online.

Each Sunday morning, we invite you to stay with us online after the service for a virtual coffee. The Zoom link will be provided in the chat each week.

Stay Connected throughout the week on our social media channels: Facebook, Instagram, YouTube.
