

## HOW CAN OUR FACILITIES ENHANCE OUR MINISTRIES?

COMMENT	QUANTITY
<p><b>CHILDREN'S AREA:</b>            Classroom are old and tired - updates may attract young families            Expand VBS to more times of year            Separate area from preschool            Children's playing outside of downstairs            nursery is disruptive to office &amp; classes            Put 2nd floor up to fire code            Strong, big playground            Adult and Kids sinks            Storage            Parent notification if child needs to be picked up            Nursery in a more accessible spot, safe - II</p>	11
<p><b>YOUTH:</b>            More fun games in youth center            Youth study hall            Bigger, more prominent youth space</p>	3
<p><b>CAPACITY/USAGE IDEAS:</b>            Build structure over sanctuary parking - II            Move admin offices upstairs            AT&amp;T Parking lot            Build Up (2nd or 3rd levels) - II            Flexible walls - II            Office space as formal/informal meeting space            Allow kids club to use playground            Choir rehearsal on first floor            Children's events on first floor            Convert back parking lot for preschool use            AC, Heat, Windows, furniture - II            Better lighting            Everything Multi-Use - III            Use Presbytery wing</p>	20
<p><b>HOSPITALITY IDEAS:</b>            Welcome Center (IIII)            Food Pantry            Fire Pit            Basketball Court - III            Rock Wall</p>	IIII, 19

<p>Better identify the main office door as entrance  More seating and shade on patio  Make plaza more inviting - II</p>	
<p>FLOW:  Better Preschool Drop off situation  Elevator / ramps = IIIII, I  Connect sunny plaza with 1st courtyard  Connect all areas on campus with a central courtyard  Open up our campus - III  Easier stroller access on campus  Childcare rooms should be more accessible  Open up library courtyard - II  Better signage/maps - III  Gates to maintain safety  More "green" space  Enhance flow through design</p>	<p>22</p>
<p>PR / Outreach Ideas:  \$5 breakfast for community  Use Nextdoor.com  Send Spire to preschool families  Uplift tutor program  Continue to be open to outside groups using the space - IIIII  Food/clothing bank - II  Share sanctuary w/ a non-english speaking congregation - II  Safe playspace for kids  Outdoor service  Food truck sundays  Outdoor BBQ and Coffee Station  Family Friday  Host Ted talks, Concert, etc  Seasonal banners  Reach INTO community  Cafeteria - invite community to food events  Offer Bible Studies open to public</p>	<p>23</p>
<p>PARKING:  Preschool use of handicapped parking makes it difficult for seniors to park</p>	
<p>Transportation services</p>	

Re-do Parlor and Nursery	
Outdoor Performance Space	
Another location for Interfaith shelter that's easier to set-up	
IT person on campus to troubleshoot	
Wifi that works better	
Electronic backdrop to use for performances	
Barcode system in choir library
