No. 8

Each year in the fall we pick a new theme as a church to guide our thoughts throughout the year. As I have been pondering all that is going on in our world, and our response as Christians, I can't help but be struck by the ever-widening polarization taking place in our nation. We have always had a history of opposites, but it seems to be more pronounced during an election year while facing a pandemic where there is very little organic interaction with anyone that may think and/or act differently than we do. This inescapable set of circumstances is then accompanied by the pressure to choose a side. Are you with me or against me? Fill in the blank for who the "with" and "against" might be. It seems the questions we face are mostly "either/or" but what we need right now is the freedom to answer "both/and."

This past June, a group of women from the church did a study on the book *The Divine Dance* written by Franciscan priest, Richard Rohr. In his writing, Rohr has a powerful quote that speaks to our context. *"Knowing without loving is frankly dangerous for the soul and for society. You'll critique most everything you encounter and even have the hubris to call this mode of reflexive cynicism 'thinking' (whereas it's really your ego's narcissistic reaction to the moment). You'll position things too quickly as inferior or superior, 'with me' or 'against me,' and most of the time you'll be wrong."*

Rohr states, with certainty, our incorrect assumptions of distance because of his view of the Trinity,--a view he attempts to recapture in his book--a way that Eastern Christians have understood the Trinitarian God for centuries. As Westerners, we tend to try to explain the Trinity through the *functions* of the Father, Son, and Holy Spirit. While in the Eastern mindset (Jesus' context) one is challenged to look at the relationship (or flow) *between* the functions--between the Godhead. It is in the flow between where we find hope for our polarized world.

Blessings,
Pastor Karla

LIVING THE FLOW BETWEEN, is our theme for this year. We will unpack it in various forms through various groups and I hope you join in on the conversation. Abiding in Christ as the flow between things, even seemingly opposite things, takes both courage and creativity. My prayer is that we might come together as a community, even in our differences, and model that for our world.

CHURCH NEWS

Session Highlights - September 2, 2020

The August Session meeting (held on Sept. 2) included a review of attendance of online church services. From Sunday, June 7, to present, the count of devices logged on to watch the streaming prerecorded service ranges from 629 to 321, following traditional seasonal decline in the summer. This was encouraging news to the Session attendees, who expressed great appreciation to the church staff which has been devoting extra hours and effort to reimagine ways for our worship and fellowship.

Finance Chair C. Gresham Bayne also expressed appreciation for the members of our congregation who have been generously and faithfully fulfilling their pledges, and for many who have been making extra gifts to the church. While Red Brick Preschool income is down and expenses are up due to Covid-19 requirements, the church financial team led by Operations and Church Life Director Jolene Wade continues to pursue and fulfill grant and loan applications to compensate for the pandemic losses.

Pastor Karla Shaw discussed plans for on-campus worship services. She noted that while recent changes in

California regulations allow for regulated indoor meetings, restrictions make it impossible to create an event anywhere near the traditional joyous experience church attendees would want, nor would it be feasible for the already overloaded church staff to develop weekly events. But she did note that plans are underway to bring back the 9:45 am Café service outside.

The Session again considered the Racial Issues Statement prepared by Elder Chris Capen, Rev. Alex Wirth, and Clerk John Spafford. Discussion was wide-ranging, earnest and personal, viewing recent national racial issues through the lens of our Vision and Mission Statements. At the end of a long evening, Session voted to share the statement with the congregation, and tasked the Worship and the Arts Committee with preparing ways to present it. Rev. Alex Wirth will be developing ways to interpret the Statement and engage all ministries of the church in the discussion.

Dossal Cloth Swatches Available

For a limited time, mementos of our Chapel are available! Recently the Chapel dossal cloth was removed, in order for the new stained glass cross to be installed. For many, this dossal cloth holds special memories as it's been in the chapel for decades. If you are interested in a piece of this fabric as a keepsake, please contact Jolene Wade, by October 31.

We are offering sizes that might be suitable as a memento and keepsake of our Chapel and the traditional worship space it represents. The fabric could be used for framing, book marks or perhaps another creative use. Available sizes of fabric swatches are 5"x7" or 8"x10" (other sizes considered based on requests and condition)

Please note these will be available on a first come basis, until October 31. Jolene can be contacted by email at: Jolene@pointlomachurch.org.

Your Life is a Work of Art

Join us this month for this wonderful photography exhibit which honors and celebrates the lives of people who have been blessed with many years. Ranging in age from 80 to 98, 22 men and women are featured in B&W photographic portraiture, along with biographies of the most poignant moments in their life. Especially now, while our cherished seniors are most vulnerable and invisible due to the shelter-at-home orders, let us honor and celebrate these living examples of perseverance, strength, and hope. The exhibit is open in the FLC breezeway from September 8—30 from 9:30 am-12:30 pm & 1:30 - 4:00 pm – No Appointment Necessary. You are invited to wander through at your convenience, but please be mindful of social distancing and wearing face masks.

We are looking forward to returning together in the month of September! BRICK Monday Nights officially begin Monday, September 14 for both Junior High and High School groups. It will look different (i.e. less food, more masks, social distancing, etc), but hopefully the joy and gratitude of being together will not change.

Our High School Small Group started meeting in-person for the month of August as a primer for other youth gatherings, and it has been a welcome change. We hope to find more opportunities this fall to bring youth together through play, education, and spiritual growth.

This summer was also hard because of some staffing transitions. Michael Lombrano, who was with the program for 6 years as a volunteer, intern, and staff person, moved to Orange County to accept a position as High School Youth Director at Terra Nova Church. Also, our Youth Assistant for the past year, Sarah Butterfield, transitioned out of her leadership role to homeschool her two kids, and to get her Master's degree in Education Administration. Sarah was a tremendous asset to the group, and although her family will still be at PLCPC, her presence in Youth Ministry will be missed.

Staffing Update—Welcome Back Christian!

We are happy to announce that Christian Moore has been hired to fill the Youth Assistant position. Some of you may be familiar with that name. Christian used to be the Junior High Associate before leaving for college. Christian is thrilled to be back in the PLCPC community and working with students. He is a passionate lover of Jesus and desires to share the love of Jesus with kids.

Please pray for God's leading and protection as we serve the youth of our community, and pray that we can be a place and space of hope, healing, and encouragement for this vulnerable population.

Children's Ministries Staff Changes

Teri Antti is our new Children's Ministry Assistant. She is first and foremost a very proud mother of four daughters ranging from 5 to 30 years old! She has been fostering since she was 26. In fact, her 5 year old, Sincerity, is adopted out of foster care. Although child development, children's ministry, and advocacy have been her main focus, music has been her source of income since she was 16. Her career started in Las Vegas and ended up back in San Diego as a church choir director, piano, voice and songwriting instructor, and a worship leader. In addition to music she spent ten years as the family and women's retreat coordinator, guest services manager and drama director at the Pine Valley Bible Conference Center. Most recently she has begun to homeschool her youngest, continues to foster and lead worship, teach and speak whenever invited.

Julia Roller is our new MOPS Coordinator. She has been a PLCPC member for 12 years and has served as a deacon, a Sunday school teacher, and the coordinator for the moms' Bible study. She lives in Point Loma with her husband, Ryan Waterman, and her children, Ben, Luke, and Kate. Julia holds a master's degree in journalism from UC Berkeley and a master's of theological studies from the Pacific School of Religion. She is a speaker, writer, and editor. Her published books include *A Year with God*, *A Year with Aslan*, *25 Books Every Christian Should Read*, and *Mom Seeks God*. She is currently writing a book about hospitality entitled *Being Loved*. She enjoys speaking to MOPS and women's ministry groups all over Southern California about topics such as simplicity, spiritual disciplines, and the lessons of losing. The PLCPC MOPS group was what first brought her to PLCPC all those years ago. She is delighted to be leading the group now.

Red Brick Robotics

Do your kids love LEGOs? How about robotics? Do they like creative challenges? Red Brick Robotics may be just the place for them. Kids in grades 3rd-8th are invited to check out the Red Brick Robotics team. Email karen@pointlomachurch.org for more information.

Learning Pod on Campus

As we re:imagine so many things in our lives these days, we are now offering a distance learning pod for our preschool staff children. This way our staff can still work and support our preschool children and their families, while also assuring that their own children are being cared for and supported in their distance learning. Each weekday on campus, we have up to 14 children in 1st -7th grade on campus. They each have separate learning spaces, along with a teacher there to help them with their online connections as well as their independent classwork. Additionally, the teacher provides other activities and games for when the children have completed their schoolwork. We are so blessed to be able to provide this opportunity to the preschool staff!

Mission Partner Update Together for the Family

We are so grateful for your generous response to our mission partner, Together for the Family's emergency appeal last month. In response to the devastating explosion in Beirut, your donations have made an impact felt immediately by those in some of the most desperate circumstances. You pledged nearly \$2,500 which is helping to rebuild homes and churches in addition to providing medication and food distribution to those who have lost everything. The Mission Beyond Committee has also approved providing additional funds from their reserves to make PLCPC's total donation to TTF \$3,000. Thank you for helping to support our mission partner during this devastating time!
